

# SMART CLASSROOM ATTENDANCE USING QR CODE

## 1. Introduction

Attendance management is an important task in educational institutions. Traditional attendance methods consume time and may lead to errors. This project provides a smart attendance system using QR codes, Google Forms, and Google Sheets to make attendance recording faster and more accurate.

## 2. Objective

- To automate the attendance process.
- To reduce manual work for teachers.
- To store attendance records digitally.
- To provide a quick and easy attendance system using QR codes.

## 3. Tools Used

- Google Forms
- Google Sheets
- QR Code Generator
- GitHub

## 4. System Requirements

### Hardware Requirements

- Smartphone with camera
- Computer/Laptop
- Internet connection

### Software Requirements

- Web Browser
- Google Forms
- Google Sheets
- GitHub

## 5. Methodology

1. Create a Google Form for attendance.
2. Generate a QR code containing the Google Form link.
3. Display the QR code in the classroom.
4. Students scan the QR code using their smartphones.
5. Students fill in their details and submit the form.
6. Responses are automatically stored in Google Sheets.

## **6. Working of the System**

- Teacher generates and displays the QR code.
- Students scan the QR code.
- Attendance form opens automatically.
- Students submit their attendance.
- Data is saved in Google Sheets for future reference.

## **7. Advantages**

- Saves time.
- Reduces paperwork.
- Easy to use.
- Accurate attendance records.
- Digital data storage.

## **8. Applications**

- Schools
- Colleges
- Training Centers
- Workshops and Seminars

## **9. Future Enhancements**

- Face recognition integration.
- Location verification.
- Mobile application development.
- Automatic attendance reports.

## **10. Conclusion**

The Smart Classroom Attendance Using QR Code system provides an efficient and reliable method for recording attendance. It reduces manual effort, improves accuracy, and maintains attendance records digitally, making it suitable for modern educational institutions.
